Baci At Home

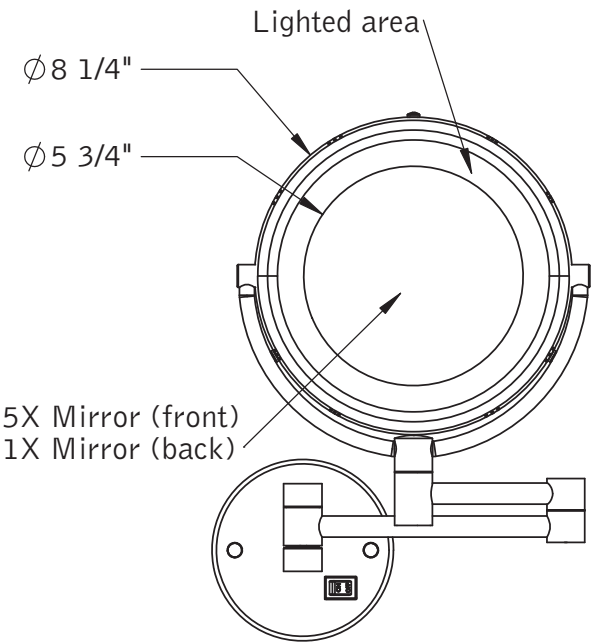

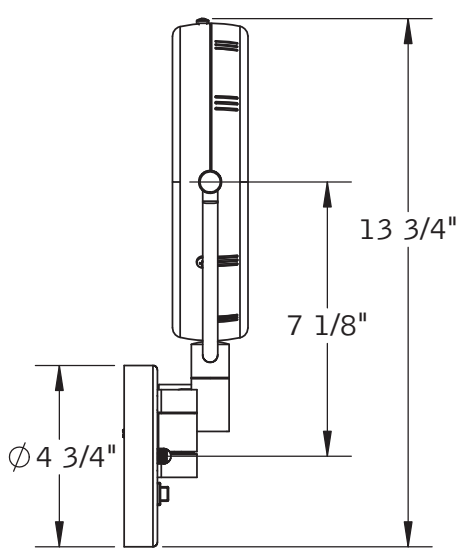

E2-H

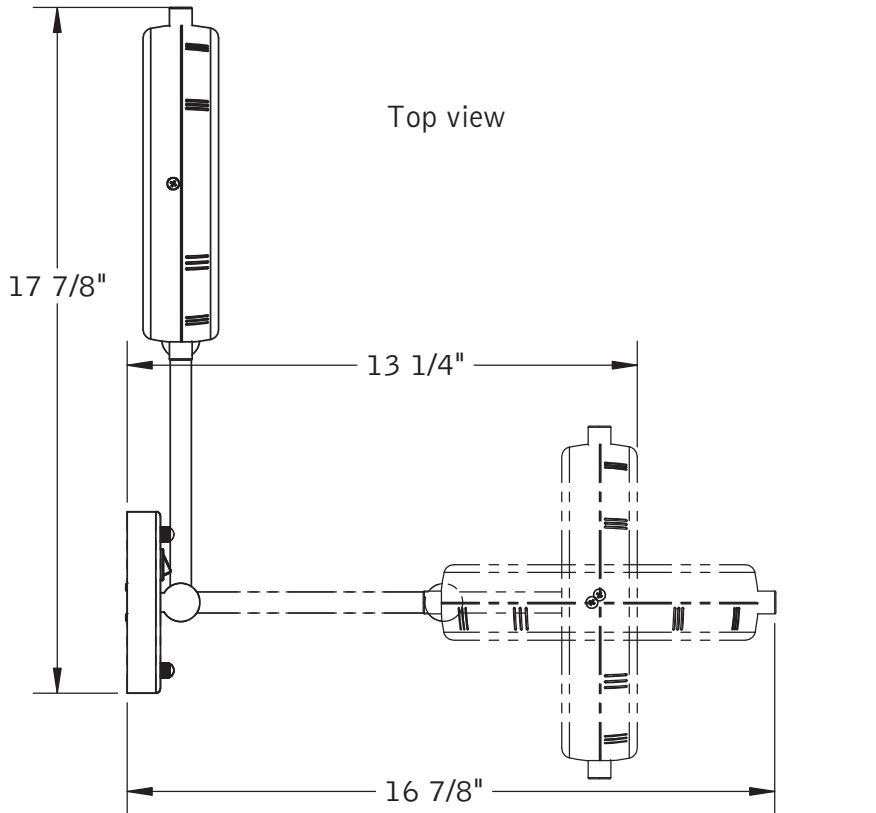

Top view

The center of the mirror is 7 1/8" above the center of the outlet box. Since the typical user's eye height is 58 3/4" the outlet box should be centered 51 5/8" above the floor.

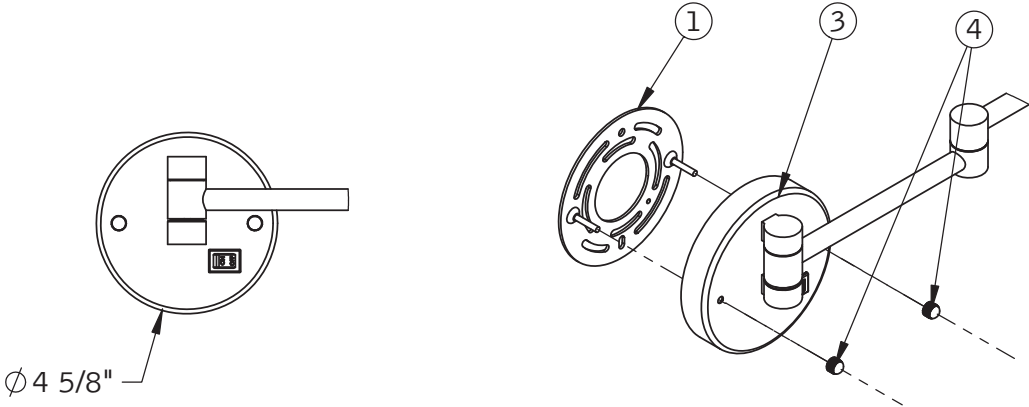

Side view

Installation

- 1) Attach backplate to the outlet box
- 2) Connect wires - green to ground, white to neutral and black to line
- 3) Slide canopy over the screws protruding from the backplate
- 4) Secure with trim nuts
